**THE OVERLOOK AT KINGS POINT SOUTH
METROPOLITAN DISTRICT
2023 Budget Message**

Introduction

The Overlook at Kings Point South Metropolitan District, (the "District") is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act and was formed on December 28, 2021. The District is located in the City of Aurora, Colorado. The District was organized to plan for, design, acquire, construct, install, relocate, redevelop, provide and finance public improvements and related operation and maintenance services. The District has no employees at this time and all operations and administrative functions are contracted.

The 2023 budget was prepared in accordance with the Local Government Budget Law of Colorado. The budget reflects the projected spending plan for the 2023 fiscal year based on available revenues. This budget provides for the general operation of the District and facilitation of capital project expenditures.

The District's 2022 assessed value is \$1,190. The District certified a General Fund mill levy of 55.664 mills for taxes to be collected in the 2023 fiscal year.

Budgetary Basis of Accounting

The District uses fund accounting to budget and report on the financial position and results of operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions. The various funds determine the total District budget. All of the District's funds are considered Governmental Funds and are reported using the current financial resources and the modified accrual basis of accounting. Revenues are recognized when they are measurable and available. Revenues are considered available when they are collectible within the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures, other than the interest on long-term obligations, are recorded when the liability is incurred or the long-term obligation paid.

Fund Summary

The **General Fund** is used to account for resources traditionally associated with government such as property taxes, specific ownership tax and expenditures which include District administration, legal services, and other expenses related to statutory operations of a local government. General fund expenditures in 2023 will be funded primarily from Developer advances.

Emergency Reserve

As required under Article X, Section 20 of the Colorado Constitution, the District has provided for an Emergency Reserve in the amount of 3% of the total fiscal year revenues in the General Fund.
